The Honorable Rosa DeLauro
Ranking Member

and Urban Development, and Related Agencies
U.S. House of Representatives

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Connecting Windsor Park: Belfast Bridge & Trail in Fiscal Year 2026. The entity to receive funding for this project is the City of Austin, located at 301 West Second Street, Second Floor, Austin, TX 78701.

The requested funding will be used to construct a bridge over Tannehill Branch Creek and connecting trail providing a safe pedestrian and bicycle route from the Windsor Park neighborhood to the Mueller area and neighborhood schools. The project is an appropriate use of taxpayer funds because it is part of a broader plan to provide improved pedestrian and bicycle connections in Windsor Park and between Windsor Park and adjacent neighborhoods and Austin's citywide trail system.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lloyd Doggett
