

Congress of the United States
Washington, DC 20515

July 2, 2025

Russell Vought
Director
The Office of Management and Budget
725 17th Street, NW
Washington, DC 20503

Dear Director Vought:

As Members of the Texas congressional delegation with AmeriCorps members and partner organizations serving in our districts, we are writing to request information regarding the status of Fiscal Year 2025 funds appropriated to the AmeriCorps agency. In 2024 alone, more than 17,200 Americans united to serve over 2,000 locations across Texas. These investments provide critical support to our communities, delivering essential services in healthcare, education, disaster relief, and community development.

We understand that some portion of the FY25 funding is not yet available for obligation and that the agency is currently in the process of making grant notifications for FY25. The following organizations have received notification that their grants were selected for funding “pending release of FY 2025 appropriated dollars”:

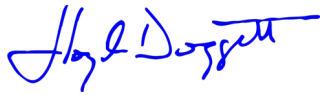

1. Teach For America – AmeriCorps State and National
2. Reading Partners – AmeriCorps State and National
3. OneStar Foundation – Commission Investment Fund
4. City of Corpus Christi – Senior Companion Program
5. City of El Paso – Foster Grand Parent Program
6. Evelyn Rubenstein Jewish Community Center of Houston – Senior Companion Program
7. Senior Life Midland, Inc. – Foster Grandparent Program
8. Concho Valley Council of Governments – Senior Companion Program
9. Concho Valley Council of Governments – Foster Grandparent Program

To better understand the current status and timeline, we respectfully request responses before July 11 on the following:

- Will the Office of Management and Budget release all appropriated FY25 funding to AmeriCorps, including funds for selected AmeriCorps State and National new and renewals, AmeriCorps Seniors renewals, and Commission Investment Funds?
- When can selected FY25 grantees expect to receive funding so that AmeriCorps members may begin service without interruption?

We appreciate your attention to this matter and your continued commitment to supporting the success of these national service programs in Texas and across the country.

Sincerely,

Lloyd Doggett
